

Hi Everyone,

It is hard to believe that the winter season is drawing to a close. November seems so long ago. We await word from NYSAIS about Varsity Boys Basketball. Our Middle School basketball programs will bring their seasons to an end next week (see schedule below).

The coming week is really a transition week; yesterday (2/14) was the 'official start to the spring season for our high school teams. We have delayed opening practice for some teams to allow closure for the middle school programs.

The spring program will be finalized over the next several days. We are assessing the sign-up sheets; these will be re-posted on Tuesday so that everyone will still have opportunity to join. Some programs (Volleyball Clinics) have a tremendous demand, creating one set of issues; others (7/8 baseball) have a low degree of interest and may not be offered. Tentative schedules for each program will be sent to you next week, before any rosters are made.

Enjoy the long holiday weekend.

Dick
