

Hi Everyone,

We have hit the midpoint of the spring season, and things are really picking up. Both 7/8 and 5/6 track will have ACIS meets during the coming week. Softball is also busy, playing AAIS rival Spence, then seeing ACIS foe Brooklyn Friends (we are waiting on permit information for that game's location). Flag Football opens its regular season on Wednesday (schedule to be posted). Additionally, we will send a group of sixth graders to play a Packer team on Thursday. Past experience has taught us that 20-25 players are simply too many, given the limited time and space. Should we play another of these exhibition games, we will reevaluate the roster of players.

Have a great 4 day break!

Dick
