

Hi Everyone,

Please accept my apologies for this rather incomplete version of the Week in Sports, covering only three days of the coming week. April's rains have targeted several of the Berkeley Carroll teams, both in the Upper School and the Middle School—we have had seven contests postponed this week by either rains or the resulting field conditions, including 4 today and tomorrow. With only eight days remaining in the high school regular seasons, every school is scrambling to find days and locations to reschedule these contests in time for the league playoffs. Just as an example, Varsity Baseball has 5 league games to play before May 8! We will post schedules for the later part of the week as soon as some of the 'blanks' can be filled in.

Just a quick recap of some highlights: 7/8 Softball edged BFS in a nail-biter (10-9) on Wednesday. Flag Football kicked off its regular season with several exciting contests—even the Giants earned a win! (written by a Cowboys fan). A group of 6th graders also took the field against a group from Packer and earned a victory, with every player scoring at least one touchdown. Our middle school track teams also had some fine performances at the ACIS meets, included Trent W's victory in the 100 Yard dash. There is a lot less news in the upper school, as many contests fell victim to the weather (our Baseball teams had 6 games cancelled!). Hopefully, we will have more to report next week.

Have a great weekend! Expect further information at the start of the week.

Dick

Monday, 4/29

Varsity Baseball v. Grace Church (dismiss 2:45; 4:15; Randall's Island 48)

JV Baseball: no game or practice

Varsity Softball at Spence (dismiss 2:45; 4:15; Randall's Island 36)
