

Hi Everyone,

We are to that point in the winter season when there are many questions in the schedule—we have arrived at playoff/championships weeks.

By the time that you receive this, Boys Varsity Swimming will have wrapped up their season at the ACIS Championship meet; Girls Varsity Swimming will finish next Thursday with the AAIS Championship meet.

I could only wish that the picture for our basketball teams was as clear. JV Boys Basketball has already clinched the regular season title and earned a bye into the semifinal round next Wednesday. That game will be played at home (Athletic Center—4:15/4:30) against an opponent to be determined by Monday's Quarterfinal results.

The timing/location for Varsity Boys Basketball is uncertain. They will play on Monday—the opponent and location will not be determined until Friday's ACIS games are completed. Girls JV Basketball will play in the AAIS Quarterfinals on Monday; with our likely opponent being Marymount.
