#### **Goal:**

Students are taught in the classroom and in the vehicle by New York State accredited teachers licensed to provide a comprehensive introduction to their driving experience. The primary goal is to teach the safe, efficient operation of a motor vehicle and to develop the proper habits and attitudes needed for defensive driving. Besides the course hours, additional practice is highly recommended in order to bring a new driver to higher levels of driving performance.

#### **Upon Completion:**

Students who successfully complete the course will receive a student certificate of completion (MV-285), which includes an insurance premium reduction certificate. After receiving the MV-285 and passing the road test, a 17-year-old is eligible for a full, New York State senior license. A 16-year-old is issued a junior license with restrictions, which automatically turns into a senior license on their 17<sup>th</sup> birthday. Without completion of a driver's education program, a New York State senior license is not issued until the age of 18.

#### **Eligibility:**

**Students must be 16 by February 15<sup>th</sup>, 2020 for the spring semester. All registered students must secure a NYS Learner's Permit or non-Driver ID card by March 30<sup>th</sup>, 2020.** Please note that if a NYS Learner's Permit or Non-Driver ID card is not secured by provided date, the student will not be issued a certificate of completion (MV-285). *(For more information, please visit the DMV website: <http://www.dmv.ny.gov>)*

#### **Course Information:**

Students are required to attend sessions that consist of classroom instruction and driving instruction including observation with each student spending 6 hours behind the wheel. Attendance is mandatory for all enrolled students.

#### **Absences/Make-Ups:**

No more than 2 absences are permitted in either lecture or driving sessions. It is the student's responsibility to make arrangements with your lecture or driving instructor regarding make-ups.

#### **Tuition/Refund:**

Tuition is **\$550.00**, excluding textbooks, which cost **\$50.00**(optional). All forms of payment are accepted. Payments may be made by check, payable to **The Berkeley Carroll School**. Please include student's name and "Driver Education" on memo of check.
